Pit Form

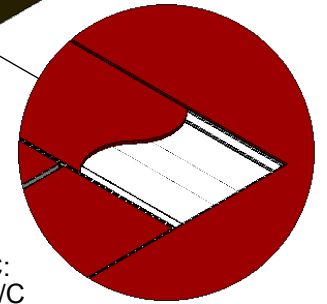

## Sand Catcher Compartment Detail

Vinyl Sand Catcher Tarp stores under Sand Catcher Covers when not in use.

Setup: remove Sand Catcher Covers, pull tarp over sand, reposition covers, and pull sheet back over covers off to the sides of the pit (shown above).  
Returning displaced sand to Pit: lift cover handles at each end, pull tarp over pit to replace the sand, then pull the tarp back to its previous position.  
After Use: pull sheet over sand, remove Sand Catcher Covers, fold or roll up tarp into sand catcher compartments, replace Sand Catcher Covers

Included w/ PFSNCAA-SC:  
Model No. PFS-NCAA-SC/C  
Sand Catcher Covers

- shown w/ 10mm (3/8in) contractor-applied track surface
